

Multi-band  
**MoCA Network  
Adapter** Model# ECB3500T

# Installation Guide

Installing the Multi-band MoCA Network Adapter is easy. Just use the diagram to the right to connect the adapter.

**IMPORTANT!**

You will need at least one other MoCA-enabled device connected to your coaxial wiring (not included) in order to use this product. This other device can be an Actiontec MoCA Network Adapter (Model# ECB2500C) or any other MoCA-enabled home gateway.
